WRITTEN ANSWERS TO UNSTARRED QUESTIONS

Government's efforts to help small farmers

1552. SHRI MAHENDRA MOHAN: Will the Minister of AGRICULTURE be pleased to state:

1) what concerted efforts have been made by Government to improve the productivity, profitability and sustainability of the small farmers;

2) the efforts have been made to give farmers access to water and irrigation during the last three years;

1) the contribution agriculture has got in terms of total GDP; and

2) how much agriculture growth has been visualised in Eleventh Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) Department of Agriculture & Cooperation is implementing a number of Centrally Sponsored Schemes for increasing the production, productivity, profiability and sustainability in the agriculture sector for the benefit of the farming comunity, including small farmers. A list of Centrally Sponsored Schemes being implemented by the Department of Agriculture and Cooperation and the Department-wise Plan outlay of the Ministry of Agriculture for the last three years, is given at Statement-I *(See* below). In addition, Government has recently launched the Scheme of Rashtriya Krishi Vikas Yojana with an aim to incentivise States to increase public investment in agriculture and allied sectors; to provide flexibility and autonomy to States in the process of planning and executing programmes in agriculture and allied sectors schemes and to maximize returns to the farmers in agriculture and allied sectors.

(b) Water being a State Subject, water resources projects are conceived, planned and implemented by the respective State Governments as per their own priority. However, Government of India provides Central Assistance to the State Governments through various schemes/programmes including Accelerated Irrigation Benefits Programme (AIBP), Command Area Development and Water Management (CAD & WM) component of Bharat Nirman. Further, assistance to State Governments for irrigation is also envisaged under the

Rehabilitation Package for 31 agrarian distress districts of Andhra Pradesh, Karnataka, Kerala and Maharashtra. During the last three years *i.e.,* during 2004-05 to 2006-07 an assistance/ grants of Rs. 4982 crore have been released under AIBP, Rs. 527 crore under CAD&WM and Rs. 171 crore under RRR of Water Bodies to the various State Governments.

Financial assistance is also provided to the States under the Centrally Sponsored Scheme 'Micro Irrigation' for the efficient use of water towards increasing the quality and productivity of Horticulture/Agriculture crops. The physical and financial performance under this scheme is given at Statement-II *(See* below). Under the National Watershed Development Programme for Rainfed Areas (NWDPRA), the financial and physical progress is at Statement-Ill *(See* below).

The percentage share of agriculture & allied sectors in Gross Domestic Product (GDP) at constant (1999-2000) prices during the last three years is given in Statement-Ill *(See* below).

Eleventh Five Year Plan aims at achieving 4% annual growth in the agriculture and allied sector.

Statement-/

Name of Centrally Sponsored Scheme being implemented by Department of Agriculture & Cooperation

Technology Mission on Cotton (TMC).

Enhancing Sustainability of Dryland Rainfed Farming Systems.

Integrated Scheme of Oilseeds, Pulses, Oilpalm and Maize (ISOPOM).

Technology Mission on Horticulture for NE Region including Sikkim, Uttarakhand, HP and J&K.

Micro Irrigation.

National Bamboo Mission.

National Horticulture Mission.

Support to State Extension Programmes for Extension Reforms.

9. Macro Management of Agriculture (MMA) Scheme.
10. National Food Security Mission.

Plan Outlay on **the** Ministry **of** Agriculture Department-wise **during 2004-05** to 2007-08.

(Rs. in crore)

Statement-Ill

Percentage share of Agriculture and Allied Sector in Gross Domestic Product (GDP) at constant (1999-2000) *prices*

(Rs. in crore)

Year	Agriculture & Allied Sectors	Total GDP	Agriculture & Allied Sectors (%)
2005-06	511013	2612847	19.6
2006-07	530236	2864310	18.5
2007-08	543984	3114452	17.5

The progress made under National Watershed Development Programme for Rainfed Area (NWDPRA) during last three years is as under:—

Sl.No.	Year	Physical (area in ha.)	Financial (Rs. in lakhs)
1.	2004-05	473606	24370.79
2.	2005-06	619486	27432.22
3.	2006-07	807635	35512.64

Organic Manure

1553. SHRI MATI JAYA BACHCHAN: Will the Minister of AGRICULTURE be pleased to state:

whether Government has studied the effects of the organic manure;

if so, what are the findings; and

whether there is any mechanism to monitor its quality and if so, what are the details in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILABHURIA): (a) and (b) Under All India Coordinated Research Project (AICRP) on 'long term fertilizer experiments' over the last few decades, Indian Council of Agriculture Research (ICAR) has concluded that only integrated use of optimal dose of Nitrogen, Phosphorous & Potash (NPK) and organic manure can maintain soil health and give higher sustainable yields. Organic manure, besides supplying essential plant nutrients, improves soil physical conditions and stimulates biological activities of soils through supply of energy to soil microbes.

(c) Organic manures are mostly produced on farm and used by the farmers. However, with commercialization of few type of organic manures, three organic manures have been brought under Fertilizer Control Order (FCO) namely (i) City waste compost (ii) Vermi-compost and (iii) Press-mud. The quality of the above organic manure is monitored as per the specifications/provisions of FCO.
